

PADDOCKS OF PLAY

28 August to 25 October 2009

Paddocks of Play has been curated by the Cairns Regional Gallery especially for children and the young at heart.

With a mix of differing media on show such as photography, prints, paintings and mixed media sculpture, kids will love to explore the themes of farmyard animals and life on the farm and how this is depicted through art. In addition, art activities and a storybook space will be available for kids to sit down and play.

Artists featured in the exhibition are William Robinson, Daniel Mangano, Sandy Carroll, Robyn Baker, Ed Koumans, Kristin Tennyson, Samuel Tupou, Ian Waldron, Olga Kaptein and Barbara Dover.
