# JULY TO SEPTEMBER 2010

Dear Friends

By the time you read this, the Annual Trivia Night will have been and gone. This is not only a way of raising funds, they are also a night of getting to know other members and their friends. Thank you to the Committee for your time and effort to have made this possible.

Although I was sad to see Max Dupain's wonderful works leave the Gallery it was equally as nice to have had the opportunity to view them. I hope most of you took time to experience the wonders of the digital age in **Face to Face**. I dropped in several times to interact with Stelarc.

Although not a pet owner it was nice to see what pets owned who in Glen O'Malleys **Pet Show**. The loft also displayed Matthew Lake's **Iconink**. Delighted or bemused, it was all very thought provoking.

The promise of weavers, moving sculptures, life at home and abroad, men's business, a digital odyssey and dragons certainly has me looking forward to our forthcoming exhibitions.

See you in the Gallery

## 2010 STARRY NIGHT CINEMA

Friends of the Cairns Regional Gallery, Friends of the Botanic Gardens and End Credits Club combine to present the 2010 season of films. This is the 10th year of Starry Night Cinema - a fundraising event which helps all three groups.

The films will be screened at the Flecker Botanic Gardens, Collins Avenue, Edge Hill (MacDonnell Street entrance). The gates open 6.00pm and the feature film will commence at 7.30pm sharp.

Tickets are \$13 with a discounted entry for members. Children under 14 years old are FREE.

Pack a picnic, rug or chair and enjoy the experience of open-air cinema under a balmy tropical night. Starry Night Cinema is a delightful family experience and one not to be missed.

21 JULY	THE DISH (PG)
18 AUGUST	AMERICAN GRAFFITI (M)
